IT ASSET DISPOSITION (ITAD) SERVICES

Over 25 years of experience

WHITE-GLOVE SERVICE WITH A SINGLE CHAIN OF CUSTODY

We ensure peace of mind with certified IT asset disposal. We have the experience, personnel and equipment to provide high-end, high-touch ITAD services to match the scale of your requirements, from a few PCs to entire data centers. Our expertise simplifies the ITAD process and helps you recapture the value of your IT hardware while meeting your rigorous asset disposition security standards.

DECOMMISSIONING

Expertise in secure and safe de-installation, from unplugging power cords to full-scale mainframe de-installations.

TRANSPORTATION

A single chain of custody from your facility to ours, including packaging/palletizing, loading/unloading via our own fleet of trucks.

AUDITING

Detailed report of machine type, model, serial number and description of items from our auditing review process.

DATA DESTRUCTION

Authenticated report verifying that data has been destroyed via physical destruction or electronic disk erasure.

RECYCLING

A zero-landfill policy and downstream partners that have been vetted and certified downstream partners.
